

**Section I (Amendment to the Specification)**

At page 2 of the application, please replace paragraph [0004] with the new replacement paragraph [0004]:

[0004] United States Patent Application 10/287,753 filed November 4, 2002 in the names of the John F. Aker and James R. Wade for "FAST CHARGER FOR HIGH CAPACITY BATTERIES," issued as U.S. Patent No. 6,803,746 on October 12, 2004, describes high-efficiency fast chargers for fast charging of high-capacity batteries. The disclosure of such prior co-pending U.S. Patent Application No. 10/287,753 is hereby incorporated herein by reference, for all purposes. "High capacity batteries" as used herein refers to batteries of greater than about 100 Amp-hours capacity.
